

Hatim Dalal

React & Spring Boot Full Stack Developer

✉ hatim.dalal16@gmail.com ☎ +971 522616252 📍 Dubai, UAE 🔗 HatimPortfolio

Profile

Full Stack Developer specializing in ReactJS and Java Spring Boot. Experienced in creating scalable web applications and efficient backend services. Accomplished in optimizing system performance with a proven track record of delivering quality, robust software solutions. Aims to utilize full stack expertise to contribute to seamless and efficient software development.

Skills

- Java, JavaScript, Python, Spring Boot, ReactJS, Node.js, Angular, jQuery, Ant Design, Material UI, Bootstrap, HTML5, CSS, SQL Server, Firebase, Redis, Docker, Git, TFS, AWS, Jenkins, Machine Learning, Data Structures, Tailwind CSS, Containerization, Windows Server, Generative AI, Scrum Methodology, Agile Methodology

Professional Experience

FullStack Developer, FMS, Parentpay UK (Mastek) 09/2022 – 02/2025

- Developed and maintained backend services using Java Spring Boot, improving system efficiency and reducing response times by 25%.
- Contributed in implementing RESTful APIs, ensuring seamless data exchange between services, which improved data processing.
- Built dynamic UI components with Ant Design, Framer and Material UI, enhancing UI/UX satisfaction by 20%.
- Spearheaded a frontend framework upgrade, resulting in a 15% improvement in application performance.
- Conducted quality control and impact assessments, ensuring that deliverables met stakeholder requirements and business objectives.

Trainee Software Engineer, ESS UK (Mastek) 04/2022 – 08/2022

- Developed a global system for schools (ReactJS + Spring Boot), serving 100,000+ users.
- Implemented ReactJS features with Redux Toolkit and Context API, improving state management and reducing unnecessary renders.
- Developed custom React hooks to improve component reusability and maintainability.
- Enhanced SQL stored procedures and resolved critical issues, ensuring 100% accuracy in transaction data.

Technical Project Coordinator Intern, Teknopoint LTD 01/2022 – 03/2022

- Bridged the gap between clients and development teams by using technical knowledge in Spring Boot and Node.js, enhancing communication and stakeholder engagement.
- Assisted in project initialization, planning, and monitoring, ensuring projects adhered to Agile and SCRUM methodologies, which improved project delivery timelines.
- Facilitated conflict resolution and team coordination, which improved overall efficiency and project execution.
- Managed client expectations and organized meetings, keeping stakeholders informed on project progress, which led to increased client satisfaction.

Developer / Digital Strategist Intern, Genius Lynx 10/2021 – 01/2021

- Developed an authentication module in Angular, enhancing security and user access management.
- Conducted market research and process development, enhancing digital strategies for clients.

Certificates

- Cert Prep: Scrum Master - Project Management Institute (PMI) [↗](#)
- Google Project Management: Professional Certificate [↗](#)
- What Is Generative AI? [↗](#)
- Jenkins: Beginner To Pro [↗](#)
- Git Masterclass [↗](#)
- Responsive Web Design: HTML5 + CSS3 for Entrepreneurs [↗](#)

Projects

Face mask detection system, using ComputerVision

Developed a Face Mask Detection System leveraging OpenCV and Keras/TensorFlow, utilizing Deep Learning and Computer Vision techniques to accurately detect face masks in static images.

E-Commerce Website, using Angular and Firebase

Developed a fully functional, end-to-end e-commerce web application using Angular and Firebase, delivering a seamless experience for both users and administrators. The platform featured a robust authentication and authorization system, ensuring role-based access with dynamic dashboards tailored for users and admins.

Factory Worker Management System, using JavaFX

Developed a robust desktop application using JavaFX, designed to streamline the management of factory worker assignments and timesheets. This admin-focused system provided an intuitive interface for efficient data logging and management.

Education

MSc in Computer Science, Mumbai University
CGPA - 8.71

08/2019 – 06/2021 | Mumbai, India

Awards

BrightSpark Award, Mastek

Top Performer in Training Cohort

Sparkle Award, Mastek

Outstanding Hard Work and Initiative

Sparkle Award, Mastek

Exceptional Teamwork and Rapid Independence

Engineer's Day Quiz Winner, Mastek
